1. Our right - eous Fa - ther Ah - man, please bless us here we pray,
2. In the fur - nace of af - flic - tion, marred more than a - ny man,
3. We yearn to be His child - ren, as - sume His ho - ly name,
4. We hope to rise with Je - sus, Fa - ther of Sal - va - tion,
5. We'll know Him and be like Him, we'll share His coun - ten - ance,

And through Thy Ho - ly Spi - rit, af - firm we're pure this day,
The Bread of Life was of - fered that we might live a - gain;
Pro - claim His truth, His life, and His Spi - rit then ob - tain;
To drink and feast in Heav'n with the Source of re - demp - tion;
Re - sound - ing hal - le - lu - jahs, We'll sing in ho - li - ness;

That we may bow, with real in - tent, be - fore Thee now to co - ve - nant;
With sa - cred bread, we tes - ti - fy to keep His law, ex - emp - li - fy
To be like Him, re - ceive His grace, and through His love to see Thy face;
We raise this wine, wit - ness a - new a cov' - nant sign, His works to do;
In faith we vow, ob - serve in Thee, all things that Thou would have us be,

With bro - ken, con - trite spi - rits, to praise and ho - nor give;
A new, yet time - less to - ken, an end - less co - ve - nant,
With Christ's light shi - ning from us, we'll fol - low in His path,
His blood poured to the ground, - bowed to the ir - on rod,
In meek - ness, love and po - wer, pro - claim Thy right - eous - ness,

To learn and to re - mem - ber; to live as Je - sus lived.
And by Him gain sal - va - tion and share in His a - scent.
And be one with His Fam - 'ly and one with all Thou hath.
That mer - cy might a - bound, - thus sac - ri - ficed our God.
With Che - ru - bim we'll praise Thee, with Se - ra - phim we'll bless.
